Greetings Fellow Golfers,

I trust everyone had a very merry CHRISTmas and Happy New Year. I'm pretty much at the age now where I spend my New Years' sitting at home and watching the ball drop in Times Square. What excitement! Speaking of excitement, check out the picture above. Seems like a Bald Eagle has taken up residence at Goldsboro Municipal Golf Course. Next time you are on hole number 14 and pass the last oak tree on the left, look up, but do not bother, and see if you can find its nest. Maintenance guys noticed it picking up limbs, yes limbs, while he was making it. I got this picture early Friday morning. Seems appropriate that he builds its nest on this particular hole though. Eagles in golf (2 under par) come mostly on par 5's. Guess which hole at GMGC has the least amount of eagles? That's right, hole number 14. I assume he is just staking out his territory to make sure that the only eagle we see is him.

If you are in the Handicap System, you had until December 31st to pay your dues. After that date, those that have not paid will be put on the inactive list. This has to be done because the amount we pay the CGA is determined by those active members. Pay up as soon as possible and we will reactivate your account. Fees are \$16.00 members and \$22.00 non-members. Thanks. Martin Johnson wanted me to remind everyone that if you pay your dues for a year in advance, unlimited range access is included. This is a \$200.00 savings for you if you paid separately for the year! If you paid for the 'Range Plan' monthly, it would be a \$300.00 savings individual or \$420.00 per year family. We at Goldsboro Municipal Golf Course realize money is tight, especially at Christmas, and it may be hard to come up with paying a year's dues in advance in the Christmas season, so we have a solution. If, at the beginning of the second quarter dues in April, you complete your payment for the rest of the year (3 x your monthly dues), you also will be included in the 'Range Plan'. What a great deal if you want to improve your game! The newly formed 'Tournament Committee' will be meeting in January to formulate tournaments for 2012. The monthly superball tournaments we held in 2011 were obviously a great success judging by the amount of participation (I think this may have something to do with me not cooking hamburgers any more). Unfortunately we didn't have but 3 of these tournaments, but are shooting for many more in 2012. If you have any suggestions to the type of format you want to see, just email me back or let us know in the Pro Shop.
