Greetings fellow golfers. A belated congratulations to Deano Jetton for his Hole-In-One on July 28th on hole #12. He made it too late to get in last month's newsletter. Also congrats to 'Square' Barber for shooting his age (72) on August 28th. Witnesses were 'Round' Barber, Eric Weeks and Steve Jones. Way to go Deano and 'Square'.

For those members that haven't noticed yet, this year's Club Championship is going to be Match Play. There seems to be some confusion on how this is to be played. I will make an attempt to clear this up. The USGA's definition of Match Play is that "a match consists of one player playing against another. In match play the game is played by holes. A hole is won by the player that holes his ball in the least amount of strokes. A match is won when one side leads by a number of holes greater than the number remaining to be played". This is how golf was originally played. Now in order to have this type of play organized, we will need to 'Rank' players. This is why we will have one qualifying round (medal play) that needs to be played between September 1st and 12th. We will use this score to give you a ranking number between 1 and the amount of players in your Division. The Pro Shop will also use its wisdom to determine your number. Last years' Champion in each division, if eligible to play, is always ranked #1. Play will be by USGA Guidelines. Ex: If there are 8 participants signed up for the Open Division, first round will match will be #1 vs. #8, #2 vs. #7, #3 vs. #6, and #4 vs. #5. If you lose your first match, do not fret, you will proceed to Championship B Flight and get to play another day. PS: You can sign up for any Division below what your age qualifies for (50-59 can play in either Senior or Open Division but cannot play in Super Senior or Masters Division). The first round of match play will be Sept. 13 - 19th. You will have that Monday to the following Sunday to contact your opponent and mutually decide on a day that is convenient for you both to play. Before you play, contact the pro shop and let us know and immediately following play of what the results are. The same procedure will be used for rounds 2 and 3. The only specified day that you have to play, if you get that far, is on Sunday, October 10th (afternoon). This will be the final Championship match. There is a \$10.00 fee to participate which will be used to purchase trophies. Car fees are not included.

On another note, The River Challenge will be coming up on October 16 - 17. There are 3 qualifying rounds that need to be completed by October 10th. We beat Southern Wayne last year and I know with the talent we have that we can do it again. GO TEAM!!!
