We will run as much regular play as possible on that day. Goldsboro Municipal Golf Course is proud to announce that the Men's and Women's golf team of the University of Mount Olive has decided to call our course home! This group of talented international and local players will and have become a great asset to our already great course. Please help me in welcoming them. You can go to our 'Facebook' page if you want to see who they are. The Goldsboro Municipal Golf Course Ladies League has started up. Great group of ladies led by Gloria McCullen that play 9 and meet the second and fourth Monday of each month. Invite is open to all ladies whether a member or not. Contact Gloria for further information. The City of Goldsboro has incorporated a new POS system at the golf course that started August 1, 2017. Needless to say we are still getting the 'bugs' out. Be advised though that no matter what your 'snail-mail' statement said, for those that do not pay by the year, 4th Quarter October-December dues are due October 1st. Please come by the Pro Shop to have that taken care of. We appreciate your patience and understanding.
